Storyboard

Scene 1 (Brainstorming): Each student introduces themselves to the audience. They talk about their interests. Then the scene is cut to a study room where the group is meeting to start their project. They decide to try Miào Miào's idea first.

Scene 2 (President): Miào Miào is the president and is preparing to give a speech. Yù Fēn is Miào Miào's aide and the voice of reason. Yù Fēn is a peasant who comes in and complains that Xiǎo Lù's cats are on her property; an argument ensues. Huān Huān dismisses Miào Miào's idea and announces that hers is much better.

Scene 3 (Martha Stewart): Huān Huān is the host of a talk show. She is cooking with audience member Miào Miào and Xiǎo Lù, a survivalist. Xiǎo Lù and Miào Miào don't get along. Huān Huān gets frustrated and tells the rest that they are ruining her skit. The scene transitions to Yù Fēn idea.

Scene 4 (Hunger Games): Yù Fēn is competing in the Hunger Games with her ally Huān Huān and her nemesis Xiǎo Lù. Huān Huān survives most of Xiǎo Lù's attacks, but dies when she eats poisonous berries. Miào Miào is Yù Fēn's escort who is watching the action and becomes dramatically upset. Yù Fēn runs to avenge Huān Huān, but before anything happens everyone breaks character. Xiǎo Lù tells everyone that they should try his idea.

Scene 5 (Skipping Class): At the football bleachers, everyone is cutting class. Huān Huān is paranoid that they'll get caught and the others try to get her to relax. Miào Miào and Yù Fēn discover they both have an affinity for juggling and the group begins to form a friendship. Xiǎo Lù is proud of this accomplishment and celebrates by trying to smoke a real cigar. Huān Huān stops him saying they're not allowed to smoke in the skit and the group is back in the classroom.

Scene 6 (Cut): It's been 5 hours and no one has decided on which skit to try. The group looks dejected, but then Xiǎo Lù says CUT and it's revealed that the students have been acting the whole

time. Miào Miào, Yù Fēn, Xiǎo Lù, and Huān Huān relax and say their farewells. Xiǎo Lù looks into the camera and asks why they're still filming.
