

## **Chinese 202 Speaking Practice**

### **Prompt:**

You are having a conversation with your host family that you will be staying with while you are studying abroad. Share with your host family about your family and academic background, your study plan and travel. Let your host family know more about you.

### **Topics of discussion for this OPS include:**

1. Talk briefly about your family background restrictions.
2. Share your academic background and interest.
3. Choose one of the CET China/ Taiwan programs or the Puget Sound Wenzao programs and describe it briefly as your study abroad program.
4. Share with your hosts about your foreign travel experiences (or none) and what you know about China or Taiwan.
5. Share with your hosts about your living and personal habits. Be polite and thank the hosts for their hospitality.
6. List questions you may have for the host family.
7. Prepare at least two to three sentences to talk about each point, and list words you will need.

### **List suggested key words & sentences:**
